Dear Resident Living on Glendale Lakes Golf Club:

The holiday season is now upon us and the golf season at Glendale Lakes is winding down. I wanted to take this opportunity to thank everyone that lives on Glendale Lakes Golf Course for a great year. As part of Glendale Lakes continuing efforts to be good neighbors, we wanted to take a few moments to thank you and mention some of what will be going on this winter as well as addressing a few minor issues we need your help to deal with.

As has been our policy for the last few years, Glendale Lakes will not be closing down for the winter but will remain open as long as the golf course is playable. I would ask that residents be aware of this and continue to stay off of golf course property so as to not be injured by golf balls that might be flying.

I would also ask that if you have any issue with the golf course or anyone on the golf course that you please contact the golf course at 630-260-0018 when golfers are out or 630-260-0095 if you do not receive a response at the other number. We will be happy to listen to any issues, comments or suggestions you might have that will help us be better neighbors.

If you are looking for a last minute gift for that golfer in your family or are looking for a place to go for a party, please give Glendale Lakes a call to see what we have to offer and if you bring in this letter we will give you a 10% discount on your party or purchase.

Thank you again for your help over the years and please feel free to contact Glendale Lakes whenever we might be of help to you.

Sincerely,

Keith M. Knautz
Director of Golf Course Operations
Glendale Lakes Golf Club
